

# CALL FOR PAPERS

## The 2nd International Conference on Economics and Business in the Digital Era (iCEBD 2025)

The iCEBD 2025 conference, themed **"Development & Integration in the Digital Era: Innovation for Sustainability"**. This event aims to present and discuss research findings across various fields in economics, fostering connections among scholars, experts, and policymakers from both domestic and international spheres. Notably, the conference will provide a platform for interdisciplinary collaboration, driving innovative ideas that contribute to sustainable socio-economic development. The conference will be held on April 18, 2025, at Ho Chi Minh City University of Economics and Finance in Vietnam for onsite attendees. Others will come virtually to hear and participate in the exciting and creative programs that are being planned.
